

Blum ORGA-LINE for Cutlery

Specially designed to suit the contoured sides of the Blum TANDEMBOX drawer, ORGA-LINE is available to suit drawer widths from 450 mm - 1000 mm.

Individual cutlery trays are easily moved to suit your own requirements and they are also dishwasher safe, ensuring easy cleaning and maintenance. Blum ORGA-LINE provides a hard wearing, long lasting solution to all your storage needs.

You also have the option to add in knife holders or foil and film dispensers.

DRAWER ORGANISATION SYSTEMS

Blum ORGA-LINE for Odds & Ends

Every kitchen has a drawer where odds and ends, utensils or small electric appliances are stored.

The simple addition of an ORGA-LINE universal tray can help to organise these drawers.

You can also add the knife holder, foil and film dispensers to the universal trays.

Easy to adjust with spring loaded dividers

Ideal storage for odds and ends in the kitchen

Timber Plate Stack

The Timber Plate Stack is a popular way of storing plates and other crockery in the kitchen. The base material is veneered MDF, with a solid beech upper. The pillars screw securely into pre-drilled holes allowing for secure storage of plates of any diameter. The trays are pre-cut to suit Blum TANDEMBOX
