## Elegant design

With its reduced dimensions, AMBIA-LINE is particularly suited to LEGRABOX, the elegant box system with straight and narrow side panels. For more information, go to [www.blum.com/legrabox](http://www.blum.com/legrabox)

## Individual adjustment

The flexible cross dividers can be easily adjusted to fit the size of the goods being stored there.

## Easy utilisation

The frames can be positioned anywhere in the drawer. A magnetic fixing and anti-slip feet provide a secure hold.

# One glance, easy access – simply more convenience

A good kitchen is beautiful as well as practical. AMBIA-LINE is a simple way of creating order, thus enabling easy work processes. If wooden spoons, ingredients and spices are within easy reach, everything runs like clockwork.

Ideas from Blum  
for practical kitchens

**Workflow –  
Convenience**

Cooking utensils,  
bottles or provisions –  
AMBIA-LINE provides  
the ideal inner dividing  
system.  
This order and organisa-  
tion means that effort is  
minimised.

**Space – Optimisation**

Wide, high and deep  
drawers use more of the  
space available.  
With AMBIA-LINE you  
can organise your storage  
space as you like it.

**Motion – Quality**

Easy opening and silent  
and effortless closing of  
drawers increase the living  
comfort in the kitchen.  
At Blum, this is achieved  
with state of the art tech-  
nology.

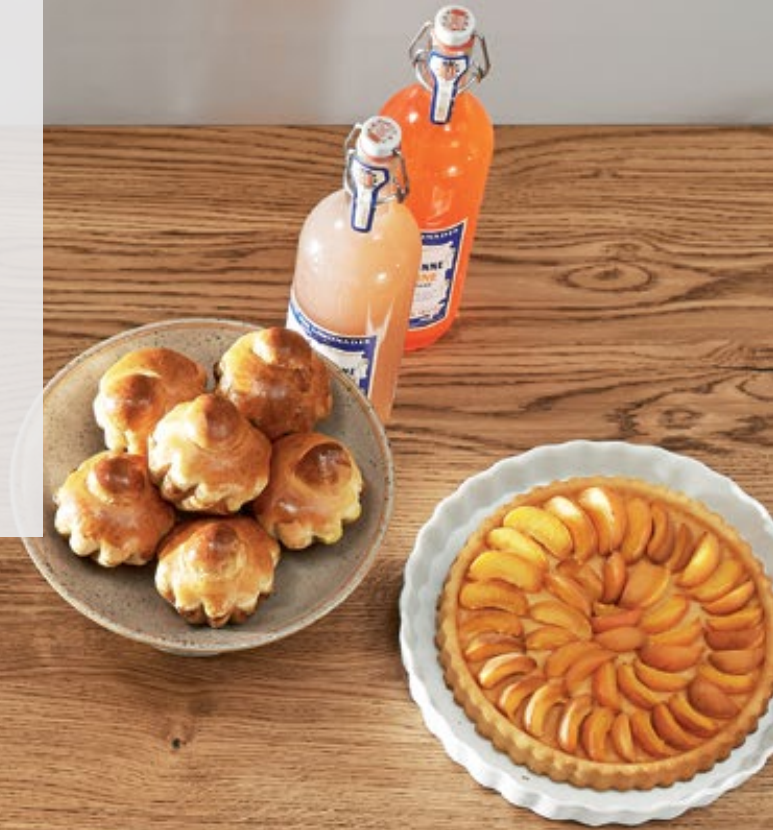

## AMBIA-LINE for kitchen utensils and AMBIA-LINE foil dispenser

- Whisks, vegetable peelers and ladles are stored in an organised fashion to ensure that everything is in its place.
- The AMBIA-LINE foil dispenser allows foil to be pulled out without creases and cut cleanly.
