LEGRABOX

Elegant box system

Is there such thing as the perfect drawer? Different from the norm, focussed on the principles it pursues – yet unprecedented in its level of performance. Straightforward. Simple. Slim. Like LEGRABOX – Experience Elegance. The box system impresses with its clear contours, parallel drawer side design and decorative lines as central design element.

Perfect organisation

AMBIA-LINE creates order within LEGRABOX with simple elegance.

Innovative colouring

The inner dividing system is available in a material and colour to match the drawer side or certain wooden décors can be used deliberately to achieve a particular effect.

Easy utilisation

The frames are easy to insert and can be positioned as desired. Steel frames for the high fronted pull-out are held securely by a magnet.

Complete programme

The AMBIA-LINE programme is clear and diverse at the same time and available in the following versions: in a steel design with frames made from powder-coated steel in the colours terra black matt, orion grey matt and silk white matt. It is also available in a combination of steel components and selected wooden décor in Tennessee walnut, Nebraska oak and Bardolino oak.

Modern living

LEGRABOX and AMBIA-LINE are the ideal choice for modern furniture design. The clear style looks great in any living area – whether as a drawer, inner drawer, high fronted pull-out or inner pull-out.
