Sensio Tactus LED Reading light

- Touch on/off & dimming function. Touch the fitting to switch the light on/off and touch again to dim the light level from 100% to 50%.
- The 25cm flexible arm allows the fitting to be positioned as required.
- The bracket on the fitting is adjustable, meaning the reading light can be positioned on either side of the bed.
- 19 cool white LEDs integrated for optimum light output.
- Low energy consumption, each fitting runs at only 1.4W.
- The 25,000 hour lifespan of the fitting means if used for 2 hours every day it would last 34 years before a replacement fitting was needed.
- 12V fitting.
- Includes screws for installation.
